A horny divorcee's innocent ad brings her some hot 'n' nasty action

THREE-WAY JAM

We were three hot, sticky bodies thrashing around on my bed. His dick was in my mouth and her head was between my legs. Her wicked tongue sent shivers up and down my spine as she lapped my swollen clitoris and he was licking her ass. Here's how it all went down.

I didn't even know their first names. They were just Mr. and Mrs. Jones, a couple who had answered my ad to sell a new high-end mattress. They were so businesslike over the phone that I never suspected anything unusual. I had a couple of real crazy callers, both men, who started taking trash. I guess the thought of a chick selling a mattress turned them on.

One of them had a pretty good line. "How many miles does it have?" he asked.

"Miles?" I asked, confused. "It's a bed, not a car," I explained.

"Maybe I should have said inches. How many

inches of hard dick have you ridden on it?" he asked.

I hung up on him. But the dampness between my legs made me wish I had listened some more. The guy sounded like he had a vivid imagination. Divorced for over a year, my fingers are my only relief. I need a man, but not a pervert.

It was almost eleven o'clock at night when the doorbell rang. I was already dressed for bed, in just my nightie and a robe, because I had figured Mr. and Mrs. Jones weren't going to stop by. They were a middle-aged couple, probably in their mid-forties, about five years older than I am.

She was about my height, blonde and built like a dream. She made me look like a boy. He was gorgeous: tall, gray at the temples, steel-blue eyes and very self-confident. I led them to the bedroom.

We stood around the bed and discussed its features and the price. They asked about the warranty.

I went to the living room to get it. I returned to the bedroom and froze in my tracks at the door. They were on my bed, totally nude. He was humping away as they rolled around on the rippling bed.

I cleared my throat. I was mad, embarrassed and aroused all at the same time. Mr. Jones rolled off his wife's body, but she remained on her back. Her legs were spread and her wet, open pussy was staring at me. He rested on his back beside her, his prick still wet and stiff. They were smiling.

"Hope you don't mind," he said. "We wanted to try it out." His voice was low and husky. I couldn't take my eyes off his thick dick. A year without a cock had gotten to me. I was dripping wet between my legs, and I think they sensed this.

His hand moved to his cock and he wrapped his fist around it. He began stroking it very slowly. His eyes seemed to say "Come and get it." I wanted to but I was too embarrassed, so I stood in the doorway, speechless. While I was staring at him, his wife got up and walked over to me. Her tits were bigger than grapefruits, with nipples bigger than the tips of my little fingers.

Her fingers worked on the buttons of my robe. I had never dreamed of a threesome with anyone, let alone sex with my customers. My ex-husband is the only man I had ever had sex with. He took my cherry when I was just out of high school, before we were married.

The robe was soon off my shoulders and Mrs.

Jones was urging me on. "I'll take care of you," she whispered as she lifted my nightie over my head. Her warm mouth teased my nipples. She was so soft and gentle that they responded immediately. They swelled and slipped into her tender mouth

Her husband watched us and stroked his cock. His chest was broad and beautiful. He was built like an athlete. And tan all over. His cock got bigger and harder as he watched his wife fondle me. She knelt to pull down my panties. Both hands caressed my ass as she slowly eased them

over my hips and down my legs. When her tongue touched my clit, I began to quiver. She knew just what to do. I felt dizzy and my legs felt weak. I held her head to my pussy and moaned as the orgasm shook my body.

I never knew it could be so good. My ex never ate me. He would dip one finger in and check the moisture. If it was damp, he would climb on and dump his load and then climb off and go to sleep.

Mrs. Jones's mouth made me feel like tiny needles were pricking me all over my body. I was a quivering mass of hot flesh as she led me to the bed and helped me lie down.

I closed my eyes and enjoyed the sensation of Mr. Jones's beard tickling its way up the inside of my thighs. He kissed my cunt lips like he was kissing my mouth. His tongue dipped into my slippery slit, but he didn't linger there. He continued kissing and licking his way up my body. When he passed

my navel, I felt his hard prick against my hungry snatch. I wanted him between my legs.

The gentle rocking of the bed only added to the sensation as Mrs. Jones joined in. Her right breast filled my mouth while her husband kissed his way up my body. My head was spinning. Her nipple was bigger than a baby's penis. I sucked on it tenderly as she quivered and quaked. I think she had a couple of orgasms while her husband worked his cock up my cunt.

I felt the head of his huge tool enter my excited box. He rotated his hips in a circular motion, making the hot cockhead tease my swollen pussy lips to a maddening peak. "More!" I moaned. "Give me more!"

"More what?" he demanded. "Tell me what you want. Say it."

"Your dick!" I screamed. "Give me your dick! Fuck me!" As he responded, the spasms hit me. I wrapped my legs around his hips and sucked him into my quivering box. He got stiffer and stiller as I humped my cunt up at him.

Finally, I collapsed, but he was still hard. He didn't come, however; he was saving it, I figured. It was agony when he pulled his hard dick from my cunt. I felt so empty.

For the first time in my life, I was caught up in pure animal lust. I wanted him to fuck every part of my body. My hand had been between Mrs. Jones's legs the whole time her husband was fucking me. Her pussy was hot, swollen and wet. I wanted to taste it and make her come. I rolled over, got on my hands and knees between her legs, and stuck my tongue into her slick slot as far as it would go. She screamed and pressed her cunt against my face as

I made her come again and again.

Her husband didn't waste any time either. He knelt behind me and entered my still-hungry pussy from behind, doggy-style. He fucked me with a slow, teasing motion, pulling his cock out until only the head remained between my cunt lips. Then he would plunge back in until the hot tip of his fiery prick touched my womb. He took me to three more orgasms as he madly

fucked my cunt. But still he didn't shoot his burning load. I wanted to feel his hot cum spurting inside me.

As another orgasm began to hit me, I shouted, "Come! Fill me with your hot juice!"

"No, Wendy," he snorted, fighting to keep in control. "You are going to swallow it. I'm going to come in your mouth."

I was too excited to protest. I wanted to suck him dry. He pulled out of my cunt with a plop, then rolled me over and straddled my chest. I was so eager to taste his hot prick that I had it in my mouth before he could stick it there. The taste of my own juices mingling with his dripping prick juice was wonderful.

He began pumping my face like a cunt as his wife buried her face between my legs and lapped my tingling twat. Then he leaned over and licked his wife's wiggling ass and we all came together.

The bed rocked with every motion as waves of hot cum surged clown my throat. My hips kept rhythm with his tingling tongue as I had still another orgasm. His wife came again too, as his tongue tickled her anus.

It's no surprise that after all that, they bought the bed. Now, thanks to Mr. and Mrs. Jones, my nights are filled with wet dreams.

*Her secret fantasy was to be fucked by a roomful of guys.
And her husband made it come true.*

Don and I had been married a little over two years and things in bed were getting boring as hell. I needed and craved some excitement—and I told him so. One evening Don came home with a package under his arm.

"Know what's in this plain brown wrapper, Laurie?" he asked.

"Wine, to go with the sole," I guessed, as he broke the string and began to unwrap it.

"Nope," he grinned.

"How about wild rice? Weed? A dildo covered with chocolate? Maybe some porn?"

"Right!" He looked amazed. "Which one?"

He then held up the surprise. "Oh, another fuck video," I groaned.

"You say that like a hardened viewer ever since I brought home that vintage porn flick," he laughed. "Wait till you see this!"

He pulled me toward him and lightly rubbed my breasts, making my nipples stand out through the silk blouse. I reached down and ran my hand across his jeans. "Look at this," I giggled. "We haven't even seen the old fuck movie and he's all aroused already!"

It was true. Don pulled me close and filled my mouth with a kiss that re-

placed my appetite for dinner. I felt his hand rubbing my ass as he licked my lips with his tongue. "The food will be cold. Let's eat first. Then we'll watch that fuck flick."

We ate in about five minutes flat. He wouldn't even let me wash the dishes before he pulled me into the bedroom and turned on the movie. He unbuttoned my blouse and said, "Gee, it's warm in here, isn't it?"

I had to laugh at the title of the movie, which was presented by Hugh Jarse (Huge Ass) Productions: Gang Bang with Gloria. Don passed me a joint and we settled down to watch. The picture was a typical skin flick, but it was working on my man. I watched both him and Gloria, a busty blonde, as she was getting gang-banged by all the jocks at an athletic club during a heavy workout.

I then noticed Don's hard-on and encouraged him to play with his cock. I massaged his meat as pretty Gloria was having her pink labia bitten gently by one dude and her mouth savaged with a gigantic prick owned by another gang-banger. I could feel my man's hardness, and to tell the truth I was getting a bit moist. That surprised me since I generally don't react that way to watching others fuck, especially in a movie. I spread my legs for comfort and Don's hand pushed the elastic of my panties aside and continued down to my mons.

"Frig me faster," he whispered as his finger found my slit. I was actually getting hot from watching lucky little Gloria being blindfolded and spread-eagled. She was pretty, in a wholesome way, and her body—with large, globular tits and over-sized nipples—was built for wear and tear. She had wide hips and a fat ass. The guys in the film commented crudely about her tits, ass and cunt.

As I jerked on Don's dick, he fingered my clit. I bucked against his hand as we watched Gloria hers. By this time she was literally being "attacked" in all orifices: one banger inserted his prick in her pussy, another in her ass, another in her mouth, and one in each

hand, while two other dudes were coming all over her breasts and stomach.

Don (I'm not sure when he did it) had pushed a pillow under my ass, slipped off my panties and slipped on a rubber. I smiled as I felt his fingers slide under my thighs and seek out my asshole. The velvet there turned to fire, as he began to skillfully rim me with the tip of his finger. Round and round it went and I hoped it would never stop.

I felt jealous as I watched Gloria take a huge dildo up her ass without flinching. "Fuck my ass, darling, fuck it hard!" I yelled. Don then pushed his finger up my hole and I began to buck my hips, just the way Gloria was doing, only she had a dildo up there and I was only working on my man's finger. And Gloria was nursing a multi-veined cock. She looked like a baby sucking on a pacifier.

Suddenly I knew the answer to firing up our boring sex life: dudes, and more dudes! As the flick drew to a close, Gloria was lying in the middle of the floor while all of the guys held a circle jerk, aiming their cum at her hot body.

I guess it was really Gloria's helplessness that intrigued me. Sure, the attention of so many guys seemed wonderful, but being helpless was the best part of it. "I'm fucking well done with nice sex," I yelled. "I want excitement. I want fun. You guys think you can do anything, but if we women want something like this, you think it's shocking. Well, fuck shockingly!"

And with that, Don rammed his big cock all the way up my asshole. It hurt before it felt good, with only his spit for lubrication, but shocking fun it was! I loved it!

Anyway, Gloria's fun with all those guys filled me with desire for sex with several dudes at one time. Don and I decided to check out the dating apps, looking for men who wanted to join in a gang bang.

"You want excitement? Well, you'll get it," Don warned me. "And you'd better not chicken out."

I agreed and anxiously awaited answers to our ad, when the big night finally arrived. The scenario was this: We rented a hotel room and would order dinner from room service. I would serve Don and the four guys we had selected. During that meal—and after, of course—I would be required to do everything they desired.

The script also called for me to dress up like a sexy waitress. I wore a tight black uniform with a fluted skirt that barely covered my crotch. Over that I wore a tiny white apron, with long black stockings, held up by a lacy black garter belt. Patent leather shoes completed my costume. No bra confined my big tits, which overflowed from over the top of the uniform, and no panties covered my cunt. When I stood up, you couldn't tell I was bottomless. But when I bent over, well, that was something else.

My appearance made me blush. The only difficulty I had been with the shoes. They had the tallest, stiltiest heels I had ever worn, and I didn't know if I would be able to keep them on. In fact, when I walked they made my breasts bounce against the top of my silk apron. It felt rather pleasant, actually.

Don explained the rules to our guests—Tommy, Anthony, Sam, and Joe. He told them not to insult me or take too many liberties with me, but I was there to serve them. I don't think they fully believed us, but they were intrigued, I could tell.

"Laurie," Don said casually, "show him your legs." I quickly raised one leg and then the other. "Raise your skirt higher," he then said, "and let him see those creamy thighs."

Suddenly I was tired of this game and was about to call it quits when I felt Hank's hands begin to feel me up.

"Laurie, why not get that skirt up all the way?" Don gently pushed.

I knew that if I obeyed, these guys would see I wasn't wearing panties.

"While my wife is showing off her legs, take a look at that bush," Don suggested. I raised my skirt above my hips and the men stared approvingly. "Would any of our guests would like to taste her cunt? Spread like a good girl and let them, Laurie. C'mon, guys, give that pussy of hers a feel."

I then walked around the table and they all put their hands between my legs and groped me. They were drinking wine like it was water. When I reached Don, he slid his hand up my cunt, then pulled it out and showed them how wet it was. They laughed wildly.

"Let's see your fucking ass, baby," said Tommy, who had till then kept quiet but had fucked me over a hundred times with his eyes.

I looked at Don. "Go ahead. Show them," he said.

By this time the guys all had their cocks out and were pumping them. Sam picked me up in his strong arms and carried me to the bedroom, and the others followed.

"Hold her, Don," Tommy said. "I'm gonna bang her up her dirt road." I turned around in time to see him coating his big, hard prick with a stick of butter he had brought from the table. Sam then went around in front of me and held my head as Tommy began to insert his huge pole into me. He suddenly rammed me and slid all the way in. I felt him slide in and out, as far up as my navel. Sam shouted out for the others to hear, "Stay this way. Let Tommy fuck your asshole while Uncle Sam gives you something real nice."

Just before he forced his big, hard and thick cock into my mouth, I caught a glimpse of Don, who was frigging his hard-on like nobody's business. "Quick, let me," I heard Hank say. Sam pulled out and moved aside. Before I could ask what was happening, Hank filled my mouth with his hard, stubby prick. He pumped once and flooded my mouth with his cum.

I swallowed and felt all warm inside. I then I had another sensation, like I used to feel when I was a little girl and my mother gave me warm enemas. My rectum was nice and warm and it felt so good. I realized that Tommy had come in me. Before I could fully appreciate this, my pretty costume was being ripped off my body.

Don then flipped me over like a fish out of water and said, "Anthony, stick your cock up her pussy. She needs it bad!"

Anthony pushed my legs apart and mounted me. "Your wife is wet as hell," he giggled. "She really likes this," he grunted as he pumped furiously. I pumped back and reached down to cup his big, swinging balls. He didn't know it, but Anthony was bringing me relief. My asshole burned a bit and my tits, where Hank had bitten them, hurt. But I was having a good time. Anthony grunted and fell off me, his sexy prick jetting gobs of silvery cum all over my cunt and belly.

Then it was Don's turn. He was as rough as the others had been, as he plowed me hard in the pussy and shot a big load.

After our guests had satisfied their appetites, they thanked Don and me for a good time and left. Cum was matted all over my body. My tits and ass and cunt, even my mouth, were sore.

When Don and I returned home, the gangbang was a thing of the past for me, but a night I would never forget.

"Well, when do we do it again?" Don asked with a laugh.

"Just two questions before I answer," I said. "First, what did we almost have for dinner?"

"Breast of chicken," he said. "What's the other question?"

"Can we stick to the missionary position from now on, just you and I?"
